***Inaccurate or incomplete information will result in delayed processing of your financial aid.
Do not skip any items—if they do not apply, put a 0. If left blank, we will assume 0.***

Important Note: The instructions below apply to the student and parents. Notify the financial aid office if the parents filed separate IRS income tax returns for 2019 or had a change in marital status after December 31, 2019.

Instructions: *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at studentaid.gov. In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed. If the parents filed separate 2019 IRS income tax returns, the IRS DRT cannot be used and the 2019 IRS Tax Return Transcript(s) or a signed copy of the 2019 federal income tax returns and applicable schedules must be provided for both.*
