Harford Community College is an academic community, and all members and visitors share the duty and responsibility of securing and maintaining the freedom to learn within the community. Freedom carries responsibilities; chief among these is the respect for the rights and safety of others. In order to provide and preserve this freedom and to assure orderly, safe, and legally sound conditions and practices for handling student misconduct, the College maintains, administers, regularly reviews, and revises the Harford Community College Code for Student Rights, Responsibilities and Conduct (The Student Code).

The Student Code outlines clear expectations of students as members of the College community, the kind of unacceptable behavior that may result in disciplinary action, and sanctions and disciplinary proceedings utilized when the Student Code is not observed. Harford Community College will make every effort to make the published Student Code available to students and student organizations; students and student organizations are equally responsible for becoming familiar with the expectations, policies, and procedures contained in the Student Code.
