

6500 - Use of College Resources Policy

Policy Owner: Vice President for Finance & Administration

Associated Procedure:

Date Adopted: April 8, 2003

Date Last Amended: December 11, 2018

Date Last Reviewed: December 11, 2018

It is the policy of Harford Community College to reserve the right to limit, restrict, approve or deny the use of any or all its resources, including, but not limited to, physical property, equipment, electronic media, furniture, supplies, and any and all other resources, consistent with applicable law. At the president's discretion, any College computer may be monitored and files including email and Internet may be accessed and reviewed by the president or his/her authorized representative.
