

7100 - Smoke and Tobacco-Free Campus Policy

Policy Owner: Vice President for Finance & Administration

Associated Procedure: None at present

Date Adopted: January 14, 2003

Date Last Amended: December 11, 2018

Date Last Reviewed: February 3, 2022

It is the policy of Harford Community College that the College is a smoke- and tobacco-free environment. The use of any type of tobacco product, smoking device or equipment, or any item that simulates smoking such as vaping, is prohibited in all buildings and areas of the campus and off-campus sites supervised by the College.
